

DEVONPORT ONE DAY OPEN TOURNAMENT REPORT

A one day open tournament was held at the Devonport Squash Centre on Sunday 18 April 2010. The tournament had in excess of 40 players participating and it was a busy day for Chris Doig who ensured it all ran smoothly.

There was some great squash from all divisions with many nail biting finishes. The main event on court one was the final between Michael Brown (Hobart) and Matthew Creeley (Devonport). This was not for the faint hearted - a full on pressure match with both Trojans battling for honours. The eventual winner was Matthew Creeley. What a fantastic day of great squash! We should not leave out our caterers, who kept us all going with mouth watering nourishment. Keep your eyes and ears open for the next tournament; it's sure to be a humdinger!
