Dear Chris,

I write to you on behalf of the committee and members of The Devonport Squash Club.

We would just like to pass on our sincere thanks for the contribution you; personally, make to squash in general and to show our appreciation for the amount of effort we know is required to accomplish positive results for all concerned.

We also pass on our thanks to those on your committee for their tireless work during the years.

We are, as a club very passionate about our squash and are implementing strategies to try and increase participation through a Junior Coaching Program, continuing to host our annual 'Devonport Open Tournament' and actively encouraging members to participate in both Masters and other tournaments around the state.

As with most clubs and committees, success comes from the very hard work of volunteers whom generously volunteer their time, of which we are very grateful.

Again Many thanks for your efforts and we wish you & Squash Tasmania every success for this year and for many years to come.

Kind Regards,
